How To Use Prescription Discount

For questions call our Member Support Team at 800.800.7616, Monday through Friday, 7:00 am to 7:00 pm and Saturday, 8:00 am to 5:00 pm Central Time. Present your membership card along with your prescriptions to the pharmacist. Ask the pharmacist to compare our contracted discount price with the pharmacy's retail price when the prescription is processed. You pay the lower of the two prices directly to the pharmacy at the point of sale.

Pharmacy discounts are not insurance and are not intended as a substitute for insurance. **The discount is only available at participating pharmacies.**
